OFFICE OF PETITIONS

In re Application of :
Silverbrook et al. :
Application No. 09/575,165 : DECISION ON PETITION
Filed: 23 May, 2000 :
Atty Docket No. NPA009US :

This is a decision on the petition filed on 24 January, 2005, under 37 CFR 1.137(b),¹ to revive the above-identified application.

The petition is **GRANTED**.

The Office apologizes for the delay in responding to the present petition.

¹ Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition filed under the provisions of 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In a nonprovisional utility or plant application filed on or after June 8, 1995, and abandoned for failure to prosecute, the required reply may also be met by the filing of a request for continuing examination in compliance with § 1.114. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c)).

The application became abandoned on 18 January, 2004, for failure to timely reply to the non-final Office action mailed on 17 November, 2003, which set a three (3) month shortened statutory period for reply. No extensions of time under 37 CFR 1.136(a) were obtained. Notice of Abandonment was mailed on 21 June, 2004. The petition to withdraw the holding of abandonment under 37 CFR 1.181 filed on 2 August, 2004, was dismissed on 19 November, 2004.

Petitioners have filed an amendment as the required reply.

The application is being forwarded to Technology Center 2100 for further processing.

Telephone inquiries concerning this matter may be directed to the undersigned at (571)272-3231.
